

Please check you're still registered with your GP

You may get a letter, text or message from the NHS about your details.

What to do

Do not ignore it

Follow the instructions

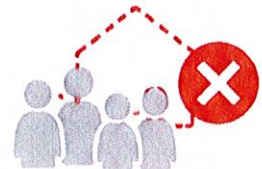

Check your details are correct

Reply by the deadline

If you do not respond, you could be removed from our patient list.

If this happens, you may need to register with us again before you can book a GP appointment.

Need help?

Contact the surgery.

Keeping your details up to date helps us to:

Keep you registered

Send you important NHS letters

Invite you to health checks and vaccines
